

Dear Parents/Guardians:

Based on parent feedback, your school is offering the option to purchase your school supplies through School Start for the 2018/2019 school year. This process can save you time and money.

There are a few simple steps to ensure your child will receive standardized, brand name products (specified by each teacher).

Your school is eligible to receive \$5/kit back!

1. Attached is your child's specific grade level supply list.
2. This order form has a list of requested items defined by each grade teacher; they include items such as pencil cases, sharpeners, and calculators. These products do not need to be purchased on a year to year basis if you already have them.
3. You can place your order online at www.schoolstart.ca . Visa and Mastercard are accepted.

Place your order online in June and you will automatically be entered for a chance to win a \$1000 cash draw!

4. Online orders can be placed throughout the year or at your convenience.
5. School Start offers 2 convenient delivery options:

Option # 1: Deliver kit directly to your home (online order only). Here are the benefits for choosing Home Delivery:

- ✓ You can pre-label your child's supplies
- ✓ You can add supplies to your order for your child in another school
- ✓ If you spend \$40 or more on additional items over and above the kit(s) at the schoolstart.ca store, you will receive free shipping!

Option # 2: The supplies will be packaged and delivered directly to the school in August before your child arrives, labeled with his/her name on the School Start package.
