

# Annual Education Results Report 2017/18

A public school committed to **Academic, Personal, & Musical Excellence**

**Vision** *Each child achieving academic, personal and musical excellence.*

**Mission** *Based on the philosophy of Dr. Shinichi Suzuki, students, staff, parents and partners work together to create a nurturing learning environment to support student mastery.*

## We Achieve

- **Suzuki Charter School students demonstrated outstanding achievement** on the June 2018 Provincial Achievement Tests in the areas of Language Arts, Mathematics, Social Studies, and Science.
- **Suzuki students attained a very high rate of EXCELLENCE** (attainment of a grade of at least 80%) that is significantly higher than their provincial counterparts. The percentage of Suzuki students attaining the excellence rating ranged between 25% and 60.4% compared to provincial averages between 14% and 30.5%.
- **Students are to be congratulated** for their focus on learning as demonstrated by these outstanding scores. Parents and teachers are also to be congratulated for their role in supporting students to be well prepared to meet high expectations for success as demonstrated in their achievement results.

## We Care for Our Community

- Participated in active citizenship projects including: Terry Fox Run, Family Dance donations to the ESO YONA-Sistema, Food Bank donations, "Tidings of Comfort and Joy" care packages for the Mustard Seed, and sharing the gift of music within the community.
- Celebrated our 23<sup>rd</sup> Anniversary performing choral and instrumental music at the spring concert at the Winspear Centre.

## We Share Our Successes

- Met with Alberta Education representatives from Leadership and Teaching Excellence, and the Association of Alberta Public Charter Schools to share our research-based innovative program initiatives.
- Collaborated with research institutions including Dr. Jacqueline Leighton from the University of Alberta for year two of our research partnership.
- Participated as an active member of Alberta Education's Alberta Research Network to share in current International and Alberta research-based instructional and systemic organizational strategies to support student success in Alberta.

## We Focus on Continuous Improvement

- **We engage our students, staff and parents** through surveys, School Council and Student Representative Council meetings,

## Financial Results Summary for 2017/18

#### Expenses by Program

Program	Amount	Percentage
ECS	\$129,084.00	3%
Instruction Grades 1-6	\$2,574,767.00	68%
Plant Operations & Maintenance	\$536,948.00	15%
Transportation	\$138,351.00	4%
Board & System	\$193,092.00	5%
External Services	\$182,101.00	5%

**TOTAL \$3,754,343.00**

Funding for the 2017-2018 year was increased due to the identification of ECS students who fall within the mild/moderate category and students in grades one to six under special needs funding. With this increase in funding expenditures increased to meet the needs of the identified students. School Administration developed a two phase plan to expend the additional funding which was approved by the Board.

#### School Generated Funds

Fundraising activities are determined by the School Principal in consultation with School Council and staff. Ten percent of all fundraising dollars are allocated to a bursary to help offset the cost of Suzuki private music lessons for families who may require financial assistance to pay the cost of private music lessons.
